ORDER

13 Before the Court for consideration are Defendant Thompson's fully briefed
14 Motion for Discovery (Doc. #63), and Motion for Court to Order the Government to
15 Provide Rule 404(b) Notice (Doc. #76). The Court has conducted hearings
16 regarding the foregoing motions, and has reviewed in camera submissions by the
17 Government relating to several potential witnesses in this case. Counsel for the
18 Parties have separately conferred in an effort to craft a mutual agreeable Protective
19 Order and Non-Disclosure Agreement which would accommodate the legitimate
20 interest of counsel for Defendant to obtain certain discovery important to the
21 preparation of Defendant's case, while at the same time accommodating the equally
22 legitimate concerns of Plaintiff United States to protect the safety and availability of
23 potential witnesses who may be called to testify at trial in this case.

24 The earnest efforts of counsel have resulted in the submission of separate
25 Proposed Protective Orders and Non-Disclosure Agreements (Docs. #87, #89 and
26 #90). At the hearing conducted May 14, 2012, counsel highlighted the remaining

1 areas of disagreement which essentially focus on the timing of disclosure by the
2 Government to the Defense of witnesses and witness statements; whether the
3 identifying information should include the social security number and date of birth
4 of each witness if known by the Government; and whether counsel for Defendant or
5 his investigator can show copies of reports prepared by law enforcement officers to
6 witnesses who consent to be interviewed by the Defense.

7 Trial is set to commence on Monday, July 23, 2012. To balance the
8 legitimate concerns of the Parties regarding the production of discovery, and the
9 safety of witnesses, and having considered the arguments of counsel and the in
10 camera submissions of the Government regarding witness security, the Court hereby
11 **GRANTS** Defendant's Motion for Discovery (Doc. # 63), and Motion for Court to
12 Order the Government to Provide Rule 404(b) Notice (Doc. # 76), and **ORDERS**
13 the production of discoverable information subject to the terms and conditions of the
14 Protective Order and Non-Disclosure Agreement attached hereto.

15 **IT IS FURTHER ORDERED** that the discovery produced by the
16 Government pursuant to the attached Protective Order and Non-Disclosure
17 Agreement shall be made available to the Defense not later than June 15, 2012, and
18 that, to the extent known by the Government, such disclosures shall include the full
19 name and nicknames, date of birth, social security number, and last known address
20 of each witness.

PROTECTIVE ORDER

11 **IT IS HEREBY ORDERED THAT:**

12 1. *Confidential Information Subject to a Non-Disclosure Agreement.*

13 Upon receiving all executed Non-Disclosure Agreements from
14 counsel for Defendant, the Government will provide to the Defense
15 Team, as described below, the statements of its witnesses, as defined
16 by the Jenks Act, 18 U.S.C. § 3500 and Fed. R. Crim. P. 26.2. The
17 Government anticipates production of the witnesses' statements,
18 designated herein as "Confidential Information," on or by June 15,
19 2012. "Witnesses" mean those persons whom the government
20 anticipates it will call in its case in chief at trial, including any
21 witnesses who will offer testimony that falls under Fed. R. Evid.
22 404(b). There are two exceptions to this disclosure, which the
23 United States will submit to the Court in an ex parte, in camera
24 Motion for Protective Order. With its early disclosure of
25 confidential information to the Defense Team, the Government will
26 also provide current criminal history reports of each witness and any

1 other information as required by Giglio v. United States, 405 U.S.
2 150 (1972), and its progeny. The Government will also provide
3 unredacted discovery of previously redacted material that identifies
4 witnesses during the course of the investigation. The Government
5 shall also disclose the following identifying information concerning
6 each witness, if known: the witnesses name, date of birth, last
7 known address and telephone number.

- 8 2. *Discovery Production.* Statements, documents, or other materials
9 produced by the Government in connection with this Protective
10 Order will be designated as Confidential Discovery by marking each
11 page or thing produced in a manner similar to the following and
12 shall contain the following:

13

CONFIDENTIAL DISCOVERY

- 14
- 15 3. *Restrictions on Use and Disclosure.* Except as subsequently agreed
16 to by the Parties in writing in the Non-Disclosure agreement, or as
17 otherwise ordered by the Court. Confidential Discovery will be
18 restricted in the following manner:
- 19 (a) All Confidential Discovery will be maintained in the strictest
20 confidence by the Defense Team, which includes counsel for
21 the Defendant, defense investigator(s), paralegal(s) and legal
22 assistant(s), all of whom will execute the Non-Disclosure
23 Agreement, incorporated herewith, agreeing to abide by its
24 terms. Executed Non-Disclosure Agreements will be filed
25 with the Court along with Confidential Discovery, as provided
26 below.

- 1 (b) Neither the Confidential Discovery nor the contents of the
2 Confidential Discovery will be provided to the Defendant or
3 to any other person or otherwise disclosed or disseminated.
- 4 (c) The Defense Team may use Confidential Discovery to frame
5 questions to witnesses. In interviewing any person or in
6 consulting publicly-available data sources, the Defense Team
7 will make no reference to or display the Confidential
8 Discovery. Rather, the Defense Team can explain their
9 purpose by simply stating that they represent the Defendant in
10 this case and are tracking down a lead to a possible witness
11 and/or seeking information about witnesses. Any information
12 learned during any such interview is confidential information.
- 13 (d) Such information will be kept under seal by the Clerk of this
14 Court as follows:

15 **THIS ENVELOPE CONTAINS INFORMATION**
16 **SUBJECT TO THE AGREED PROTECTIVE ORDER**
17 **ENTERED BY THE COURT IN THIS SUIT, AND IS NOT**
18 **TO BE OPENED NOR THE CONTENTS DISPLAYED**
19 **OR REVEALED EXCEPT BY ORDER OF THE COURT**

- 20 4. *Use at Pre-Trial Hearing.* Nothing in this Stipulated Protective
21 Order will be construed as a limitation on the use or disclosure of
22 Confidential information at any trial or hearing in this criminal
23 proceeding. However, unless otherwise agreed to in writing by the
24 Parties or ordered by the Court:
- 25 (a) A party will designate information disclosed at pre-trial
26 hearing as Confidential Discovery by requesting the Court, at
the time the information is proffered or adduced, to receive

1 the information only in the presence of those persons
2 designated to receive such information and court personnel,
3 and to designate the transcript appropriately.

- 4 (b) If a party is considering using Confidential Discovery at a
5 pretrial hearing, the party considering using such information
6 will, prior to disclosing such information and in order to give
7 the party that has designated the information an opportunity to
8 object prior to such disclosure, advise the Court that it intends
9 to disclose information that is subject to the provisions of this
10 Order.

11 5. *Disclosure of Confidential Information.* IN the event of an
12 inadvertent disclosure of Confidential Discovery, the party making
13 or learning of the inadvertent disclosure will immediately:

- 14 (a) Notify the person to whom the disclosure was made that I
15 contains Confidential Discovery subject to this Order;
16 (b) Make all reasonable efforts to preclude dissemination or use
17 of the Confidential Discovery by the person to whom
18 disclosure was inadvertently made; and
19 (c) Notify the Government and other Parties of the identity of the
20 person to whom the disclosure was made, the circumstances
21 surrounding the disclosure, and the steps taken to ensure
22 against dissemination or use of the information.
23 (d) Without limiting other remedies which may be available, if
24 Confidential Discovery is disclosed in violation of this Protective
25 Order, any party who learns of such a disclosure will forthwith
26 inform the other parties of the disclosure, and

will make every effort to prevent any further disclosure
violation of this Protective Order. The offending party will
promptly notify the Court in writing, under seal.

6. *Violation.* Without limiting other remedies which may be available,
if Confidential Discovery is disclosed in violation of this Protective
Order, the party who learns of such a disclosure shall inform the
other Parties of the disclosure, and shall make every effort to prevent
any further disclosure in violation of this Protective Order.

7. *No Restriction on Information Independently Obtained or Publicly
Available.* Nothing in this Order will be deemed in any way to
restrict the use of information or documents which are lawfully
obtained or publicly available to a party independently of the
Confidential Discovery, whether or not the same material has been
designated as Confidential Discovery.

8. *Rendering Advice.* Nothing in this Protective Order will bar or
otherwise restrict counsel from rendering advice to their client with
respect to the charges in the Indictment, and in the course thereof
from relying in a general way upon their examination of the
Confidential Discovery, provided, however, that in rendering such
advice and in otherwise communicating with the client, counsel will
not disclose the statements contained in or contents of the
Confidential Discovery.
